*Digital Marketing*

ChaseAds has the cutting edge tools you need to **grow your business** and get the most out of your investment!

**We're your partners!**

Leave everything in our hands and the ChaseAds team will take your business to the next level.

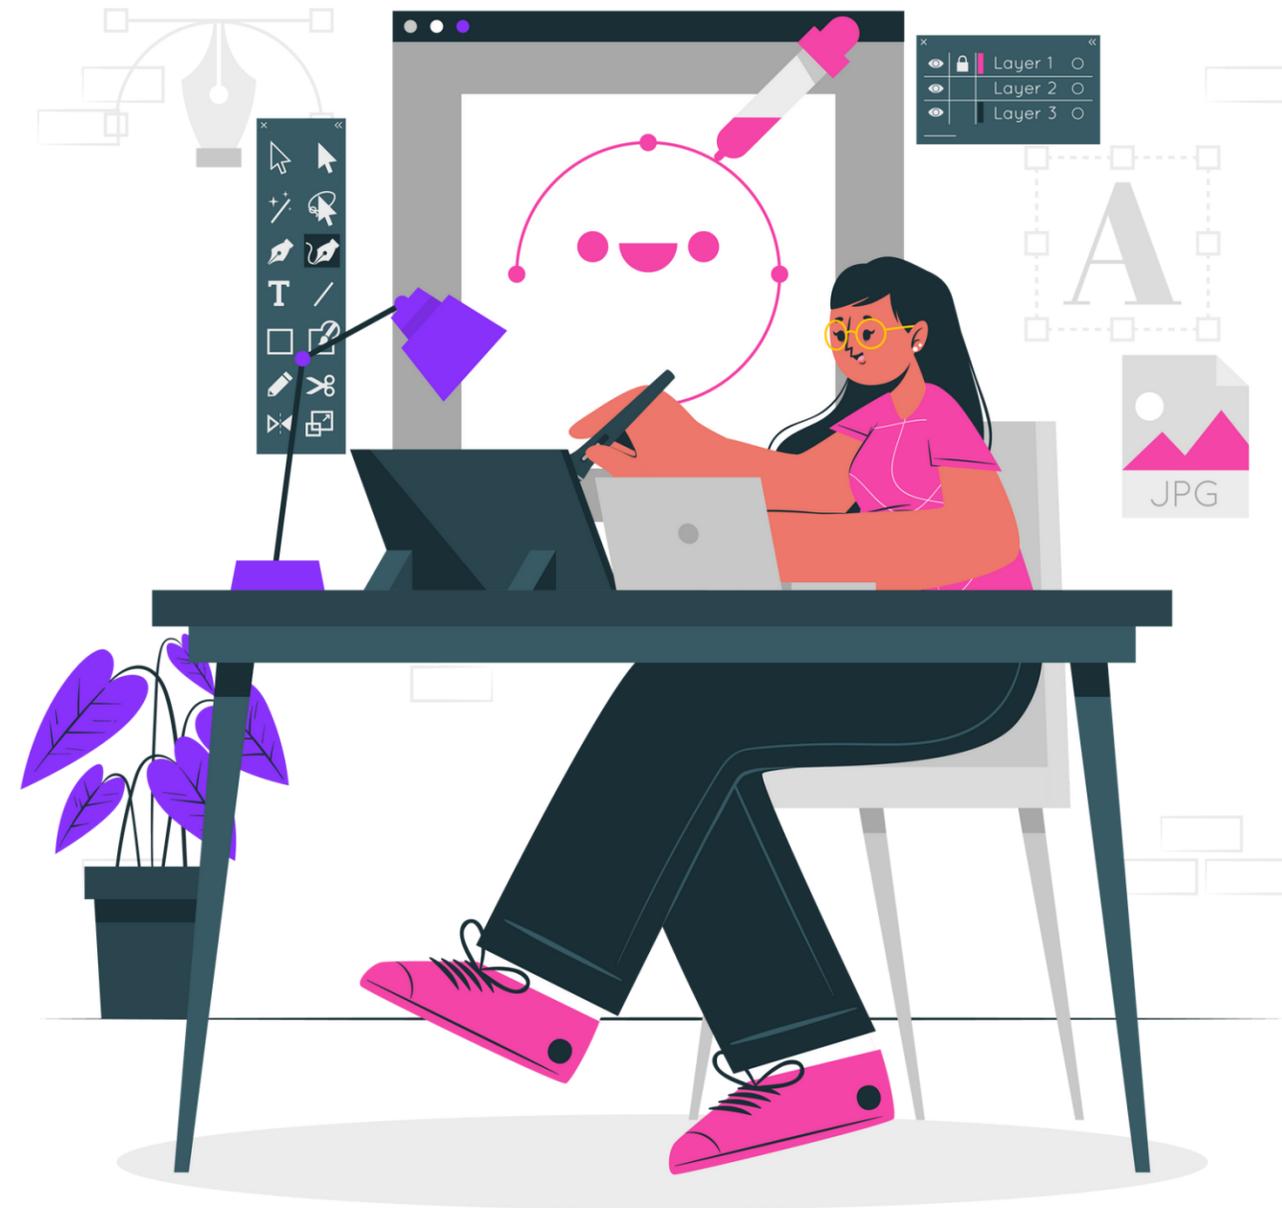

## MARKETING PLAN

We create marketing strategies hand in hand with a tailored plan. With objectives, indicators, funnel, metrics and the information you need to achieve the results you expect.

# GRAPHIC DESIGN

Everything starts with the **image!**

With a good image, the company is better known and consequently sales of your products or services increase.

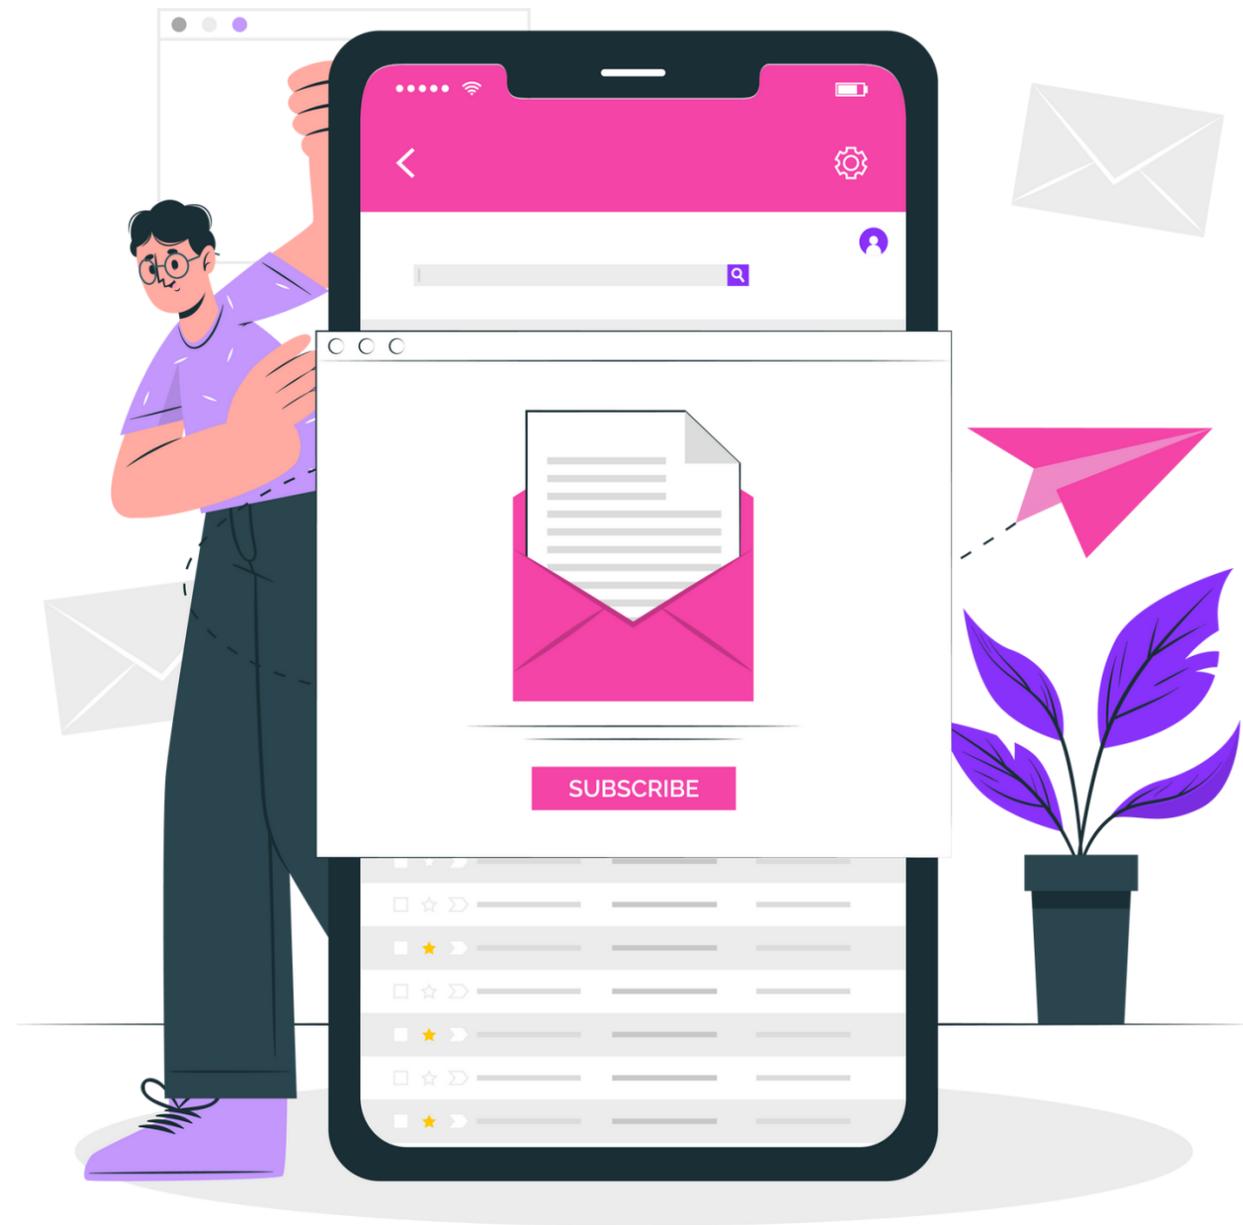

# WEB DEVELOPMENT AND MANAGEMENT

A functional, adaptable and well-crafted website is one of the key factors in driving substantial growth across your business's value chain.

# CAMPAIGNS ON ADS PLATFORMS

At ChaseAds, we manage and optimize your investment in different ADS platforms, taking into account your company's objective: sales in e-commerce, potential customers, branding, among others.

## EMAIL MARKETING

ChaseAds is a versatile marketing tool that can be customized to meet the needs of businesses and customers alike. It offers a wide range of benefits, from mass emailing to automation, that can keep your prospects engaged and interested.

# AUTOMATIONS

We use technology to increase the efficiency of actions, such as chatbots and other programming tools, in order to nurture and bring leads to the point of purchase.

## CONTENT MARKETING

ChaseAds: Feed Your Buyer Persona's Interest. Attract your target audience's attention through relevant and valuable content.

## MARKETING IN RRSS

Your social media is essential to the success of your digital marketing plan, as it amplifies the reach and visibility of other digital marketing activities.

## INFLUENCER MARKETING

Getting influential people involved in your online marketing campaign is a key tactic for expanding your reach, as they influence the buying process and decision making of their followers.
